

Yellow Hand Is Better Horse Than Old Roamer

So Says Jack Goldsborough When Son of Rosendale Wins Yorktown Handicap at Empire City—Record Crowd Hears Taps Sounded on Sport.

By HENRY V. KING. "Roamer" was a great horse, a mighty horse, but it wasn't as good as this fellow," said Jack Goldsborough, the veteran horseman, who trained both horses.

And almost all racegoers agreed with him after the Yorktown Handicap at the Empire City track yesterday afternoon. Yellow Hand won it in amazing fashion.

The stake was at one mile and a quarter and he carried 122 pounds, gave big bumps of weight to all of his opponents and galloped all the way to win eased up at 2:05 3/5. At Belmont Park or Saratoga this time would be only mediocre, but over the slow Yorktown course horsemen proclaimed it wonderful.

At no stage of the contest was the result in doubt. While following an exceptionally fast pace set by the Xalapa Farm's Bon Homme, he ran with his mouth wide open, fighting his hardest to go faster. And when Charley Miller gave him his head while rounding the bend he sprang to the front and the race was over. Bon Homme finished second and Harry F. Sinclair's Thunderclap was third.

The Yorktown was the final stake of the year in the metropolitan district and it brought out one of the largest crowds that ever visited the Little Waverly track. The weather was ideal.

It was more like spring than late autumn and lovers of the thoroughbred flocked there from all parts of the State and New Jersey. The grandstand was packed and the lawn crowded to capacity. And in the clubhouse the restaurant upstairs was filled with luncheon parties and hundreds of fashionably gowned women occupied seats on the lawn.

The fact that it was the last day of the season brought out a majority of the crowd, but there were thousands there especially to see Yellow Hand run.

Yellow Hand a Favorite. This four-year-old son of Rosendale and Yellow Sea, which C. A. Stoneham bred from R. T. Wilson last fall and turned over to Jack Goldsborough to train, has been most consistent handicap horse in the country and because of his speed and lungs and heart he has earned more friends than any thoroughbred since Man o' War was retired.

Early in the season he was defeated two or three times, but since he has been earned brackets this year he has been beaten only once and that occasion when he was nearly knocked down. He has won ten stakes and more than \$44,000 for his new owner. Last season he was the second best horse in the country.

And that is the reason to see him run was Mr. Wilson. He loves Yellow Hand and Dry Moon, the three-year-old he sold to Mr. Stoneham, and any time either of them is scheduled to start he is at the course. He is not puffed because he sold the horse. He says he is glad he is in good hands and that he runs such great races. And his actions before, during and after a contest in which either starts proves what he says is true. He is one of the most enthusiastic admirers of both horses. He visits them in the paddock, roots for them during the race and is one of the first to seek the owner and congratulate him and his trainer after a victory.

Yellow Hand's opponents in the Yorktown weren't truly great horses, but they were above the ordinary, and all of them were known for speed and stamina. But the son of Rosendale had so many admirers that he was made an odd on favorite and was heavily backed by the 5. Bon Homme, the three-year-old son of Sweep, had a few admirers, but most

MISSIONARY BEATS CRESCENT SOCCERS DOWN ENGLEWOOD

JUVENILES IN STAKE Takes the Manor, at One Mile, by a Head From All Fair—Careful Wins.

Special Dispatch to THE NEW YORK HERALD. LAUREL, Md., Oct. 29.—The race track here closed an especially successful schedule of twenty-three days this afternoon with the Manor, a mile handicap for two-year-olds as the feature.

Missionary, the son of Hourless—Mission, which Kimball Paterson brought down from New York for the occasion, turned in a sterling performance in the Lexington Stable and beat J. V. Beal's All Fair a short head on the post.

A length and a half behind this pair came the Spanish Malm in the silks of J. K. L. Ross, Jim Arthur's Wessie B. Calamity Jane, the speedily daughter of Pennant, and Mrs. Trubbell, from the H. P. Whitney Stable, ruled favorite because of her foot. From a good break she set the pace to the final eighth pole. At that point she collapsed when Pennant plied his whip and bearing out was beaten four lengths by Wessie B.

Another pronounced disappointment in the race was Good Times, which stopped under a pull. Lady Baltimore also faltered over the distance. A six furlong handicap bringing together Billy Kelly, Careful, Minute Man, Ararat and the rehabilitated Carmichael shared interest with the stake.

All of these are top horses. Billy Kelly broke in from Lexington Island. A time of half-a-minute. Careful, Minute Man, Ararat and the rehabilitated Carmichael shared interest with the stake. All of these are top horses. Billy Kelly broke in from Lexington Island. A time of half-a-minute.
